

## CHURCH PARTNER GUIDE

When we say partnership, we mean partnership. We want to work *with* you and your congregation for the glory of God and the good of Fort Worth.

At The Net, one of our goals is to empower and assist the local church in serving the city.

We provide the training, education, logistical planning, mentoring, and resources that will allow our church partners to easily connect and serve the marginalized of Fort Worth through holistic relationships. These relationships benefit from the rapport and trust built by our Net team within the communities we serve, ensuring that our Church Partners have a positive experience and reap the fruit of our previous work.

## CHURCH PARTNERS COMMIT TO:

- Support The Net financially
- Encourage their members to volunteer with The Net
- Provide event space (if possible/needed)
- Make information about The Net's upcoming events, trainings, or serve opportunities available to their congregation

## THE NET COMMITS TO:

- Regular updates with stories of impact, prayer requests, ways to serve, and other opportunities
- Training your staff and volunteers on trafficking
- Speaking at conferences & panels that your church hosts
- Providing opportunities for your church to serve

# ABOUT THE NET

Since 2012, The Net has served over 1,300 survivors of sex trafficking as they have rebuilt their lives and walked forward in freedom.

## THE PROBLEM

Survivors of sex trafficking face significant barriers to rebuilding their lives and the buyers who perpetuate the problem are not held accountable.

*According to the FBI, less than 1% of trafficking victims are kidnapped. Rather, they are exploited by someone they know and trust.*

*85-95% of those experiencing exploitation want to escape but have no other options for survival.*

## OUR PROGRAMS

### PURCHASED

Purchased provides a trauma-informed community of support for survivors of trafficking. Through our three-pronged approach of Outreach, Advocacy, and Enrichment, women can rebuild their lives and walk in freedom.

### MASE

MASE (Men Against Sexual Exploitation) disrupts sex trafficking at the source and reduces demand through buyer engagement and community education. Led by men to reach men, MASE is on a mission to change culture and create a world where girls are not for sale.

### WORTHY CO.

The Worthy Co. is The Net's social enterprise that supports survivors of trafficking through hands-on job training. Women hand craft products and 100% of your purchase directly supports the mission!
